

The Friends of the Rochester Hills Public Library invite you to attend a tour of the Detroit News and Free Press Printing facility on **Friday, May 18**. Proceeds will benefit Library programs.

Most everyone has read a newspaper at some point in their life. Have you ever wondered what the process is to produce that newspaper? Now's your chance to find out. The tour lasts about 90 minutes and includes lots of walking and stairs, so bring some comfortable walking shoes. The facility is not ADA Accessible for tour participants. Photography is allowed. **Space is limited to 25 people per tour so we have arranged two tours on the same day.** Once 50 reservations are reached, names will go on a waiting list for cancellations. If we receive many requests over 50, we will look at setting up an additional tour. **Sign up early!!**

Tour participants will meet at the facility, and parking is limited so please consider carpooling if possible.

The News and Free Press Facility is located at **6200 Metropolitan Parkway, Sterling Heights, Michigan**

Date: **Friday, May 18**
