

## **Rochester Hills Public Library - Fees for Makerspace Materials**

There is no additional cost to use Makerspace materials and equipment during an official library sponsored program. Patrons using the Makerspace on their own will incur the following nominal charges:

### **3D**

#### **Printing**

- Printed items are based upon finished weight.
- \$0.20/gram, plus \$0.50 per hour of print time beginning at four hours.
- Every effort will be made to verify print and pricing within two business days of submittal. Payment for materials must be received before the item is printed.
- Maximum print size is 280 mm x 280 mm x 250 mm (11.02 inches x 11.02 inches x 9.8 inches).

#### **Craft Vinyl with the Silhouette or Cricut**

- Heat transfer vinyl: \$2 for use of one sheet up to 72 square inches; \$4 for use up to 144 square inches. Additional sheets/colors will incur additional charges.
- Adhesive vinyl: \$0.75 for use of one sheet up to 72 square inches; \$1.25 for use up to 144 square inches. Additional sheets/colors will incur additional charges.
- Payment for materials must be received before use. Library staff will work with the patron to provide an accurate estimate of costs before payment.

#### **Glowforge**

- Patrons must bring in their own materials to use in the Glowforge. The library does not provide any laser safe material.
- Materials that can be used in the Glowforge can include: Glowforge can cut hardwood, acrylic, plywood, leather, fabric, paper, Plexiglas (acrylic), Delrin (acetal), mylar, rubber, fiberglass, Corian, foods, and more. Glowforge can also

engrave all of the above plus glass, coated metal, marble, anodized aluminum, titanium, some phones, tablets, and laptops, and more. Library staff must approve the material before it is used in the laser engraver.

### **Button Maker**

- \$0.15 per button set (mylar, shell, and pin back).
- Printing costs are extra, at the current library rate.
- Payment must be received before use.

### **VHS to DVD Converter**

- Patrons must bring in their own materials to use with the VHS to DVD converter. The library does not currently provide recordable DVDs.
