

COMMUNITY BOOKMOBILE NEWSLETTER

Rochester Hills Public Library | June 2020

We miss our RHPL Bookmobile patrons. Thank you for your support during these changing times. We love hearing from all of you. We regularly check messages from home if you call the Outreach & Bookmobile Services department (248) 650-7150.

Pictured, a long time Bookmobile family at their regular stop at the S&M Market at Rochester and Romeo Roads. Thank you for sending this heartwarming picture!

Connie, a Librarian from our early literacy Big Blue Bus, is busy making face masks that she is generously donating to front line workers. Thank you Connie!

Visit rhpl.org to enjoy our enhanced virtual resources for all ages. Many tutorials are available to walk you through our different options.

OTBS

RHPL supports the Oakland Talking Book Service (OTBS). If you are unable to read or use standard printed materials as a result of temporary or permanent visual or physical limitations, you may qualify for service. A talking book player and materials will be mailed at no cost as Free Matter for the Blind.

Thank you to one of our Thursday West Middle School families for sending their greetings!
