

# Bordine's Nursery

Founder, Darrell Bordine (1906-1978) chose the Avon Township (Rochester Hills) location because of the beautiful rolling hills.

From a roadside stand in 1939, to the largest family owned production and retail Nursery in Michigan, their roots are steadfast and growing. The founders, Darrell and Marian Bordine instilled in their family that Bordine Grown means The Best...The Best Plants...The Best Quality...The Best Selection...The Best Service, brought to you every day by our Plant-Loving 'Purple People'.

Darrell and Marian Bordine risked everything to start a roadside stand selling flowers. They had a vision to build the area's best nursery in a then undeveloped Avon Township. They believed in growing their own plants to insure the highest level of quality and variety for their customers.

Today, the same principles hold true at Bordine's. They are as committed as ever to their heritage of growing their own plants. Nowhere else in Michigan will you find a retail nursery growing more of their own annuals, perennials, trees, shrubs, and roses. Nor will you find another retail nursery their size, variety, and selection of plant material.

There are five locations in Southeastern Michigan to serve you. The original location in Rochester Hills, which was the site of a roadside stand in 1939; the second location in Clarkston which was acquired in 1978; the Grand Blanc and Brighton Garden Centers which both opened in 2001, and in the spring of 2010 the newest location was opened in Birmingham.

With more than 70 years of growing outstanding plants, they are proud to be MICHIGAN OWNED & FAMILY OWNED since 1939.
