# *Dedication*

ROY H. SCHOOF

It seems fitting that on his twenty-fifth anniversary of service to the Rochester Community Schools, we should dedicate this 1956 Falcon to Roy Schoof, Superintendent of Maintenance.

During that times he has demonstrated a deep understanding, and an unflinching interest in our student body. The unselfishness of his efforts in behalf of the public schools and the community cannot be surpassed.

The Staff pays tribute to one who has given so willingly of his time and energy in working for the betterment of our schools.

It is with gratitude that we offer our book in dedication, a small monument to the years of constructive labor he has given to us.

A day is but a page in Life's memory book. . . a year but a chapter. Each endeavor is recorded. . . each accomplishment. . . each failure. The Power which created us, guides us as we mold our lives.

Our parents. . . ever loving. . . our classmates . . . ever faithful. . . our teachers and advisors. . . ever willing have contributed unlimitably to our progress.

This book records one chapter in our lives thus far. . Our Journey Through the Year.

WILLIAM THOMAS POWELL

BORN MAY 16, 1887

DIED DECEMBER 24, 1955

In memory of William Thomas Powell, a man held in the highest esteem by members of the student body and faculty of Rochester Community Schools. His friendliness, kindness, and thoughtfulness symbolized to us the qualities of a successful life.

"He has achieved success who has lived well, laughed often, and loved much; who has gained the respect of intelligent men, and the love of little children; who has filled his niche and accomplished his task; who has never lacked appreciation of earth's beauty, or failed to express it; who has always looked for the best in others and given the best he had; whose life was an inspiration; whose memory a benediction."

## Varsity Football

Despite the record of wins and losses, we are proud of these boys, their brand of football, their spirit of true sportsmanship, and the gracefulness with which they accepted defeat. It was a season of important breaks in which our team was on the "short-end." Valuable experience has been gained for future teams.

The Rochester basketball team of this year supplied us with more basketball than the 6 won, 10 loss, regular season record indicates. Most of the 10 losses were heart-breakers as our Flying Falcons displayed an exciting brand of basketball. They won two and lost as many before vacation. After returning, difficulty arose as they won only one out of seven. Never being discouraged, they bounced back winning three of the last five which included a victory over highly rated Fitzgerald.

Finally, it was state tournament time and our Falcons entered as underdogs. Displaying brilliant team play and spirit they defeated Lake Orion, Clarkston, and nipped Avondale 49-48 in overtime to become district champs. We drew Utica in the first game of the regionals and at this writing we are waiting to see what happens!!!

# Reserve Basketball

The freshmen loaded reserve team compiled a five hundred season winning eight games against as many loses. In addition to the promising sophmores there was an unusual amount of freshmen talent. Valuable experience was gained throughout the season and Coach Konley will find added help in rounding out next year's varsity squad. The desire and spirit of the reserve team, together with the experience they obtained, promise a great deal of basketball in the coming years.

Getting set.

One of the outstanding groups in our school for many years has been the cheerleaders. No athletic event is complete without them. Through rain, snow, and ice, this group follow the team and cheer them on to victory. They also share their disappointment in defeat.

Competition for places on this team is great. Each year the group is chosen by representatives from faculty and student body. Try-outs are held early in the fall and a great deal of practice is necessary before the first game. School spirit and sportsmanship are portrayed and taught by these students.

Members of the Student Council are selected by popular vote. The campaign for officers is held in May of each year and in September members of the governing body are elected by the third hour classes. Officers this year were R. LeBarre, President; M. Maass, Vice President; P. Gerken, Secretary, F. Weaver, Treasurer.

Probably the most spectacular event of the year was the Homecoming. The election of the king and queen, the assembly, parade, football game and after game dance, were the high lights of the day.

Numerous other activities such as Magazine Drive, exchange assemblies, chapel services, hall guard supervision, student mixer and student handbook were accomplished. They also co-sponsored the Christmas and Hallowe'en dance and assisted in the expense of resurfacing the tennis courts.

Their royal highnesses trip the light fantastic.

## Christmas Dance

A glorious season was ushered in by the Christmas Dance given by the P. T. A. Pale blue and silver streamers, snow men that fairly seemed to sway to the music of Tom Saunders orchestra, cabaret tables, and fathers in small white aprons gave a holiday atmosphere to the affair. To our P. T. A. and the Student Council, who co-sponsored this dance, we say "thanks."

The highest tribute given to any R. H. S. student is that of membership in the National Honor Society. The students record for 4 years (grades 9 through 12) are studied by a committee. Each student is graded in Scholarship, Citizenship, Attendance, Character, Service and Leadership. Points are given for these qualifications and those students with the highest record are granted membership.

Certain standards are set-up by the National organization which the Rochester Chapter must follow in choosing these candidates. Only 15% of the upper third in scholarship of the Senior Class are eligible for membership. Scholarship must average "B" or better, and citizenship must have a rating of "2" during the four years. Character, leadership and service are graded by sponsors according to their activities.

A starting membership of 72 students gave promise for a wonderful 1956 book. The photography staff was particularly enthusiastic with some members interested in the taking and developing of pictures. The student council encouraged this group by giving them funds to purchase dark room equipment. The Argus Company donated three cameras for their use. They call themselves the "Click & Hope" group and will be furnishing a great deal of the pictures for future yearbooks.

The cooperation of all staffs--Photography, Business, Literary and Art--make this book possible.

A Solemn Pledge

Now Students----

Once upon a time. . . .

In October this group was invited to usher at the Regional M. E. A. Conference in Detroit. It was a grand beginning for a busy and happy year. Their activities have ranged from sponsoring an after-game dance to donating gifts to the Children's Home. They visited with the Birmingham group and also had an opportunity to meet similar clubs at an afternoon tea held at Troy High School. The chief work of the year has been assisting teachers in all grades.

## Future Homemakers

Through the years our club has grown in membership and scope. Each year representatives are sent to regional and state conventions. Here they receive information about the activities of other groups and have an opportunity to discuss and compare club activities. Culinary arts are displayed by these students when they serve tea to the teachers, and refreshments at Athletic events.

## Future Farmers

A prize-winning display.

Members of this group have particularly enjoyed the agricultural experiments they have tried this year. An actual farming project was conducted and corn was planted with and without the use of fertilizer. The results were interesting as well as educational and lent a good deal of enthusiasm to club activities.

Contributing time and energy to all organizations interested in charity has made this group a valuable asset to our school. Ushering, checking, assisting in serving refreshments and distributing posters has been some of their main projects. In addition to helping various school organizations, whose profits are used for all school purposes, they have worked with P. T. A. groups and various community clubs.

## *Girls Athletic Association*

"We swing a mighty wicked racket"

"A gutter ball--never."

The Girls Athletic Association is an organization planned for girls interested in participating in sports. The group sponsors candy and bake sales. The money is used to buy awards at the end of the year. They plan baseball, badmiton, tennis, archery, softball, and bowling for all who wish to participate.

"Nice throw, but where's the basket."

"C'mon gals--play ball."

Varsity Band is the goal all music students reach for. When you finally become a part of the "big band" you really become a part of all activities. You then have a chance to play at football games, pep meetings, basketball games, Senior and spring plays, Band Day at University of Michigan, Christmas parade, graduation exercises and many, many others. The band is a group we will admire and certainly couldn't do without.

May 25-----Spring Sing

Sang for several local organizations and caroled during Christmas for local old peoples' homes.

Starting with a Veteran's day program and ending with commencement activities, the Choir "chalked-up" another successful year. Many special and school programs highlighted the season. Various community organizations such as the Catholic Woman's Club and Tuesday Musical, were entertained by this group. A Musical Tour around the world, the annual Spring Sing, and a sacred music program on Palm Sunday were especially delightful.

## *Pep Club*

This year a new organization was added to our list of clubs. For some time it had been felt that there was a lack of school spirit and in October a group of our students formed the Pep Club. Pride in our school placed first on the agenda of this group. Pep rallies, organization of cheering sections at games, and all school Christmas caroling are a few of the activities of this, their first year.

Our Spirit's half the fight!!

# Christmas

The Sugar Plum Fairy brings enchantment to all of Santa Land.

These joyous carolers wish us a Merry Christmas with a song and a dance.

"Twas the night before Christmas"

# Pageant

The Christmas Pageant is a sacred and secular program presented through the combined efforts of the Music Department and the Dramatic Class.

Twelve lovely maidens dance to a Spanish Carole.

The most blessed of mothers.

The pictures on this page are the first examples of photography done by the Camera Club. Before attempting to take any pictures the group met with a professional photographer and were shown many of the fine points necessary for good photography. In addition to taking pictures they have developed and printed them. In future years we expect to print many pictures taken by this group.

## *Seventh & Eighth Grades*

This being our first year in the high school, it took us some time to become accustomed to the routine such as class changes and the many teachers. Although we were somewhat disappointed to learn we were not to attend high school dances we soon found we were to have parties and dances of our own, our own pep meetings and assemblies. Parties by parents and the P. T. A. were enjoyed by a majority of our members.

Probably the most thrilling event of our year was the first day at school. We watched the upper classmen with awe, wishing we knew the "ropes" as they did, and in some instances even trying to imitate the older students. Election of officers and class activities were not part of our thinking at that time and it was quite an awakening when our sponsors reminded us that we were a part of the entire group, but would have to make our own niche in this "hall of fame." We then elected our class officers and started planning for the future. Our activities have been few up to this point, but with the profits of the sales of "beanies" and two dances, our class treasury is showing a fair balance. From our experience of this year, we feel the next three years will be profitable and enjoyable.

The class of '58 started the year unusually successful when they won first place for their float in the Homecoming parade. We had almost 100% participation in this event and the outcome gave all of us a great deal of "pep" and a desire to do bigger and better things.

Next on our agenda was the Carnival. This was a big project and one that would add considerably to our treasury. It was a great day not only for us but for all who attended. Frank Sims, the disc jockey; Rickey, the clown and our Dunk the Teacher booth brought in a good share of our profits.

At the time of this writing we are again planning our spring work day program. This proved so successful last year that two Saturdays are needed for the project this year. All students will report for any type of "spring house-cleaning" desired. We have found this project helpful to those we serve and a great deal of fun, in spite of the hard work.

SHIRLEY WILSON

BORN JULY 14, 1937

DIED JANUARY 10, 1956

Calm on the bosom of thy God,  
Fair spirit, rest thee now!  
E'en while with ours thy footsteps trod  
His seal was on thy brow.

Dust, to its narrow house beneath!  
Soul, to its place on high!  
They that have seen thy look in death  
No more may fear to die.

Since our Freshman year we have been chiefly concerned with our Korean war orphan. Again this year, we have been collecting 15¢ per month from each class member, in order to keep him in school, clothes and feed him. We have received some interesting letters from him. They were read in the American Literature classes and enjoyed by all of us.

The usual class ring problem captured the interest of all class members at the beginning of the year and many are now proudly showing them. (We all expect to graduate in '57) After game dances, and boosting the bond issue occupied a share of our time and we conclude the year with the annual J-Hop. This will be especially outstanding as the committees have been working many weeks and the theme "Mood-Indigo" promises to be unusually unique.

## *Seniors*

In the fall of '52, eager to take part in high school activities we attended the freshman mixer sponsored by the student council. That year was a memorable one and we gave our treasury a good boost with the proceeds of Christmas Card sales, the "Stocking Stomp", and the first-prize float in the Homecoming Parade.

Again in the Sophomore and Junior years we received the first prize for the Homecoming float. Class rings, after-game dances and the J-Hop high-lighted these years.

We entered our Senior year with many things to do and a great deal to accomplish. Plans for the play "Time Out for Ginger" were soon underway, and the "Greatest production ever" was presented on November 17 and 18. Government Day, Prom, Banquet and Senior Trip - those long looked for events were too soon but memories. It is with many fond memories that we approach the final week of our high school year. As we say "adieu" to the school that has given us four years of wonderful memories, we pause for a moment to say than thanks to all who have made them wonderful years.

# Time Out For Ginger

"I think all men stink!!"

The Senior Play "Time out for Ginger" was given on the nights of Nov. 17 and 18th. It was a great success with members of the cast proclaiming it the most memorable event of the year. It was a Broadway hit; the theme being about a tomboy who make the football team and as Lizzie, the maid, said "She makes a better half-back then most full-backs."

"Your daughter is making the school famous--unfortunately."

"I've still got a little of the old Harry left in me!"

The Village receives a "new look."

Senior students have received actual practice participating in government offices and activities during recent years.

They gain valuable experience in the governmental units of Village Council and School Board. They are elected to the various posts of these governing bodies and carry out a day's activities of the representative group.

Looking over the new school plans.
