## CURRICULUM

Filling these pages are pictures of unforgettable people known as teachers. Although what they offer is often not evident, their gift is one of the greatest aspects of high school life. These teachers have generously given of their time and knowledge. Their understanding has helped RHS students to

realize their goals and fulfill their ambitions. Even personalities have been shaped by the teachers' unselfish motives. The best repayment for the teacher's devotion is to utilize the knowledge which was so generously given.

# BUILDING A SOLID FRAMEWORK OF

The Board of Education determines all the policies of the school and hires all of the teachers. This year the Rochester School Board planned the construction of a new high school, a new elementary school, and some needed additions to other schools. The Board's major accomplishments, though, cover two areas.

First, they updated the curriculum by adding several new courses to satisfy the needs and desires of the students. Second, the Board bridged a new era in the methods of bargaining with all school employees by meeting with representatives of the different occupational groups.

# EDUCATION

The success of a school year depends upon the administration. This year, the administration acquired several changes.

Heading the Rochester Community Schools as new superintendent was Mr. Douglas Lund, former Director of Instruction. Filling that vacancy was Mr. Harlan Johnson, former

principal of Rochester High School. The new principal was Mr. Richard Olson. These new members were working with the veterans, Mr. Ralph Hawes, assistant principal; Mr. George Stringer, coordinator of the counseling departments; and Mr. Richard Huizenga, assistant superintendent.

Mr. Lund, the superintendent, adjusts to his new responsibilities.

Mr. Olson explains the agenda of the pep assembly to Kathy Nowicki.

# CONCERNED WITH THE GUIDANCE OF FUTURE LEADERS

At least once every year, each R. H. S. student receives a blue counseling pass. The High School counselors advise the students in academic, social, and domestic matters. This year, the counselors are Miss Alma Kayser, Mr. Ronald Murray, Miss Willama Ribbink, and Mr. Robert Richardson.

In addition to their regular counseling duties, each counselor accepts additional re-

sponsibilities. Miss Kayser, besides sponsoring Scholarship Club, heads the Scholarship and Youth For Understanding programs. As the coach, Mr. Murray advises the Varsity baseball, Junior Varsity football and basketball teams. Miss Ribbink devotes many hours advising the annual Falcon year-book. Mr. Richardson is the IBM coordinator for the Rochester school system.

## EFFICIENCY IS THEIR CODE

Bookstore volunteers--M. Richardson, C. Picotte, M. Ayres, D. Rau.

Each year, students volunteer their services to help in the various offices. These girls relinquish their study halls to collect attendance cards and to maintain attendance records. In the office, girls answer the telephone, operate the switchboard, deliver messages, and provide information to students and visitors. Buying and selling books and keeping an inventory are among the duties of the girls who work in the bookstore.

Attendance volunteers--S. Schlect, J. Huntley, Mrs. Eubanks, M. Korhonen, K. Reeves, M. Plassey.

# THE TRUE HEROES OF THE SCHOOL

In the school's main office, three secretaries operate the switchboard and provide general information to the students. The counseling secretaries' duties are among the following: maintain student school records, arrange appointments with counselors, and assist with computer programming. The RHS librarians provide an equally valuable service. Besides assisting students in locating various information and books, the librarians conduct a library class.

Head librarian, Miss Redman, conducts library class while assistant librarian, Mrs. Warholak tends the records.

The cafeteria staff provides square meals each school day for approximately fifteen hundred students. They must plan each balanced meal within set budget, a difficult task greatly expanded by the increase in the number of students.

The custodians maintain the physical appearance of the high school. They wax floors, revitalize old furniture, and wash windows. Outside, these men cut grass, shovel snow, and maintain the general upkeep of the building.

Mrs. Baker files counseling records, and Mrs. Henson attends correspondence.

Mrs. Collins works in Mr. Olson's office, so that Mrs. Hergenroeder and Mrs. Burch can maintain business in the main office.

Rochester High School offers several courses in the art field. The Art I and Art II courses are specific studies in one field of the fine arts program. Art I is a beginning art course while Art II delves into more advanced study of painting, drawing, design, and construction.

The fine arts program also encompasses the music field. Music Appreciation and General Music develop students' understanding of music.

The results of the students' study in these fine art courses are displayed annually. This year, an entertaining and enlightening art show was presented.

## HALLS OF RHS

This year the Concert Choir consisted of 85 members, the largest choir in RHS's history. Besides performing for school assemblies, the choir presented three other performances. During the winter, it presented a musical review "That's Show Biz," a selection of famous theater and movie hits. In the spring, it presented its annual concert. Besides these two concerts, the choir represented Rochester at the District Choir Festival, which rates a choir on musical ability, tone, and quality.

The Treble Choir, an all-girl choir, has 48 members this year. Besides aiding the Concert Choir in its production of "That's Show Biz," the Treble Choir presented its own spring concert. The Treble Choir also represented Rochester in a Choir Music Festival.

# “MUSIC HATH CHARMS. . . .”

During the summer vacation, the 86 member Varsity Band performed at the Cherry Festival in Traverse City and at the State Fair. The band continued its hard work with practice for the half-time shows at football games, which started soon after school opened, and for the Homecoming, Thanksgiving, and Christmas parades. Preparation for the annual Winter and Spring concerts filled the winter months. In early spring, the band attended the District Music Festival, where it was rated on Musicianship, tone, and quality. After marching in the Memorial Day Parade, the band ended its busy year with a performance at the Commencement Exercises.

The English department at Rochester High School is excellent. The sophomores adjusted well to the hard work required by their English Classes. The main emphasis in their classes this year was American literature, which they studied eagerly. The juniors also studied literature, but a special stress was placed upon grammar, in preparation for Senior English. In Senior English impromptus, outside themes, and the research improved the expository and creative writing skills of the seniors. Sometimes the hard work entailed in their themes was ironic when it was nullified by one word--"frag."

# TO OBTAIN A BROAD OUTLOOK ON LIFE

The large number of languages that RHS offers gives the student great flexibility in his pursuit of knowledge. Mr. Pazevic and Mrs. Laidig teach French, a language in which students may find advancement in four years of study. Russian, taught by Mr. Pazevic, and Spanish, taught by Mr. Hansen, are new additions to the curriculum of RHS.

Latin and its cultural contribution to modern civilization is taught for one or two years of study by Mrs. Meyer. A student may choose to study up to four years of German and its culture with Mrs. Werzer. Certainly foreign languages have become an integral part of the school system.

## “ANYONE FOR PUSH-UPS?”

Balance versus gravity

To develop physically as well as mentally, R. H. S. requires boys to enroll in Boy's Gym I and girls to complete Girl's Gym I. Both courses provide an opportunity for students to acquire physical fitness as well as learn sportsmanship.

For people who wish to continue their study of physical education, Boy's Gym II, Boy's Squad Leader, Girl's Gym II, and Girl's Squad Leader are offered.

Among the activities involved in these classes are track, team sports, calisthenics, softball, tumbling, and volleyball.

# EXPLORING VARIOUS RELATIONSHIPS

The Social Sciences encompass a variety of topics. The department stresses the understanding of personal, national, and international affairs. Students become acquainted with the complexities of American economy and government. The World Affairs classes study the problems of India's economy and government. Also, the American History students study the interesting past of their country.

## ACTIVITIES

Industrious students have devoted their time and energy to making numerous activities successful during the past year. The effort exerted by the sophomores, juniors, and seniors during Homecoming was overwhelming. Each class enthusiastically strived to place its float in first place. However, although the football season and Homecoming passed, RHS spirit remained high. The

sports events and individual athletic achievements have initiated a new excitement. Organizing interest and productive clubs have been the major goals of other ambitious students. These students have undertaken many tasks which have made these clubs exceptionally worthwhile for the members and sponsors. Through a wide range of activities, students have truly given of themselves.

# GIRLS' STATE

Wolverine Girls' State and Boys' State are modeled, as nearly as possible, after the actual government of Michigan. The purpose of these institutions are to emphasize the importance of government in modern life, to stimulate a deep and lasting interest in government, and to enlarge the understanding of governmental processes. The basic method by which these goals may be achieved is that of actual participation in the political and governmental process.

Boys' State was located on the campus of Michigan State University, while Girls' State occurred on the campus of the University of Michigan. Each "State" contained counties and cities in which the representatives portrayed all the officials from Governor to Sewage Manager.

# TO PROMOTE BETTER UNDERSTANDING

Rochester High School is very active in the foreign exchange programs. This year, these programs sponsored four girls for summer trips and hosted seven students from Europe and Latin America.

Youth for Understanding, the largest exchange program in Michigan, sponsored five of the seven visiting students. For a full year, Leena Heikennen from Sweden and Kresten Bjornholt-Shou from Denmark attended the high school while Paulina Pallamar and Marta Hoces from Chile and Alyce Valenca from Brazil stayed only a semester. Youth for Understanding sent four girls from Rochester to Europe. During a two-month

period, Betsey Swan and Joanne Brower lived in Germany, Kathy Holforty lived in Sweden, and Kathy Groener lived in Holland.

The other two exchange students arrived, financed by the American Field Service. Under this scholarship program, the student's expenses are paid in full. Tony Taylor of Barbados and Nora Magpole of the Philippine Islands stayed through this program.

Each student, living with a family in a foreign country, grew to better understand the people of the world. The key word, understanding, acquired new meaning under these exchange programs.

# OUTLOOK ON LIFE

Students explore a French castle.

Thirty-seven Rochester High School students traveled abroad in 1966. Ten students with Mrs. Laidig spent four days in London, then studied through four weeks in Strasbourg, France with Europeans and other Americans. Weekend jaunts to Switzerland and Germany provided priceless interludes in the six week period. Eleven other students, accompanied by Miss Wermuth, studied English Literature for six weeks. Tours through England and Scotland complemented these classes attended at Queen Mary's College of the University of London. The largest group, sixteen pupils, and Mr. Pazevic toured southern Europe. Their travels, lasting six weeks, covered Paris, Reims, Rome, the Riviera, and Geneva.

# STUDENT COUNCIL—A FORUM FOR

Is Kathi Holforty tampering with the ballots?

The 1967 Student Council, guided by Mr. LeBarre, acts as the governing unit of the student body. The Council sponsored such activities as the support of an orphan in Italy and a Battle of the Bands. The Student Council was also responsible for Homecoming, including the parade and half-time activities. To raise spirit as well as money, the Student Council sold sweatshirts, jerseys, and jackets. Each assembly presented to the student body was engineered by the Student Council.

# TALON

The Rochester High School newspaper, the Talon, has been "grasping the news" since the school was founded. Student enthusiasm this year, however, resulted in a new impetus in sales. The Creative Writing class supplied the articles for the paper. The addition of a want ads section provided the stu-

dent with a market place or an opportunity to wish a friend Happy Birthday. Feature stories involving students themselves and lively, constructive editorials were attractive additions to the paper. Mrs. Meyer sponsored the production of the Talon. Sharon McGuinness and Karen Headlee coedited the paper.

During the past school year, a group of enterprising students, comprising the Falcon Staff, assumed certain responsibilities--to capture and record for the Rochester High School the excitement of Homecoming 1966, the drama of all the athletic competition, the spirit expressed by the student body, and the student members themselves. Utilizing every free moment, after and during school, the workers wrote articles, took pictures, and organized the pages.

The Scholarship Club, sponsored by Miss Kayser, is designed to aid the students and faculty of RHS. Service projects during the

year consisted of posting the Honor Roll, hosting College Night, and tutoring students.

# NATIONAL HONOR SOCIETY

Throughout the year, the National Honor Society emphasized the importance of leadership and scholarship. The students maintained their membership by obtaining an over-

all B-average for citizenship and academic endeavors and also receiving the required number of honor points for service.

## CLUB

The Amateur Radio Club, formed last year, operated for the first time this year. This club's function is to promote amateur radio interest and to help students acquire an operator's license. The goal is to set up an amateur radio station at Rochester High School. Sponsored by Mr. Krager and advised by Mr. Ewald, the club held a dance to raise funds for a transmitter.

## ENGINEERING CLUB

The Engineering Club, an organization under the supervision of Mr. Minke, helped to advance the interests of many students during the school year. Although the members did not hold regular meetings, informal sessions were held at the various mem-

bers' homes. These sessions included discussions of engineering problems and of the functions and principles of the slide rule. Excursions to the Bell Telephone Co. and to other Detroit industrial centers complemented these studies.

## FUTURE TEACHERS ASSOCIATION

Equipped with notebooks and an eagerness to learn, the members of the Future Teachers of America observed teaching after which they instructed children in certain elementary schools. The group, sponsored by Mrs. Ram-

mber, taught every other week at Meadow Brook, MacGregor, and North Hill schools. The members worked individually with the grade level of their choice.

This year the Future Nurses of America visited Harper's Hospital in Detroit to observe hospital routines. For fund raising projects, the club, sponsored by Miss Berk, chose various successful cookie sales. This group again sponsored the classes for Candy Striping instruction. These "Stripers" then assisted in nursing at Avon Hospital.

# FRENCH CLUB

The French Club has transported a bit of Continental flavor from "a-cross the pond" to Rochester High School. Le Cercle Francais is notable for its large and enthusiastic membership. Under the sponsorship of Mr. Anastas Pazevic, the club visited an art exhibit in Detroit where they viewed the works of such famous artists as Picasso. Will anyone forget the club's trip to Ann Arbor to see Moliere's comedy Les Femmes Savante or the fun members had swimming at Oakland University? The French Club placed third in decoration of club cars for Homecoming with their theme Domage. The high point of the year's activities was the club's presentation of French Night. Members portrayed tourists visiting abroad, demonstrated a spirited Can-Can, and recited poetry while French music filled the air.

## RIDING CLUB

Better known as the Riding Club, the Saddles & Spurs sponsored by Miss Houser excelled in its second year of existence. Early in the year, the club won first place for its float in the Homecoming Parade. During Thanksgiving vacation, club members and

Miss Houser traveled to Chicago for the International Livestock Exposition & Horse Show. The club planned a hayride and a treasure hunt early in the spring after it came out of winter hibernation.

## GERMAN BAND

Row 1: S. Grant, C. Richards, R. Grant. Row 2: K. Simmons, Mrs. Werzer, R. Zimmerman, J. Tavener, B. Chapman, R. Syracuse.

Under the direction of Mrs. Werzer, the German Band practices folk songs diligently each Wednesday. The songs will provide the music for the folk dances in the annual Maifest. The guitar is the most numerous instrument in the German Band, but there are also clarinets, trumpets, and other instruments. Mrs. Werzer leads the Band on her accordion.

## SKI CLUB

With over one hundred members, the Ski Club was one of the largest and most active clubs in the school. This year, the club met at Mount Holly to ski. Each Monday and Wednesday, Mr. Lilly, the club sponsor, courageously led the skiers down the slopes as long as the weather permitted. Ranging from rank beginners to graceful experts, all agreed skiing is fun, though sometimes cold.

Officers: Mr. Lilly, G. Haffey--President, Caren Cooper--Treasurer, Jim Ball--Vice President.

## G.A.A.

Many high school girls interested in pursuing athletic activities join the Girl's Athletic Association. Miss Guillaume, a girl's gym teacher, sponsors the club, which meets on Friday afternoons. In the fall, the girls play miscellaneous games; in the winter, they play basketball; in the spring, they play volleyball. During the basketball season, Varsity and Junior Varsity teams, which compete with other

schools, are chosen. This year, the teams played Kingswood, West Bloomfield, Clarkston, Clawson, and other schools in the area. The school year ends with the election of new officers. Officers for the 66 - 67 school year are: President, Jackie Bird; Vice-President, Pat Allured; Secretary, Sarabeth Hissong; Treasurer, Pam Olin.

The purpose of the Chess Club is to promote the "game of kings" among the students. The members' determination and interest in chess have helped this organization become successful. After a tournament was held at the beginning of the school year, the members were ranked according to their ability.

Then tournaments with other schools were held. The competition was keen. Later, the Chess Club participated in Homecoming activities. Because of the effort displayed by members, the annual spring Turnabout Dance was also a great success.

## SERVICE CLUB

The purpose of the Service Club is to serve and to assist others. This worthwhile organization is sponsored by Mrs. Cousins. During the year, members of the club have ushered and have served at many of the school's functions, such as "That's Show Biz." The Service Club often sends goods to underprivileged children.

## LIBRARY STAFF AND LITERARY CLUB

The library, one of the most frequently utilized rooms in the school, is a vital part of the educational facilities at R.H.S. Miss Redman, the librarian this year, has added about 3,000 new volumes to our library, bringing the total number up to about 10,000.

The Literary Club is an informal group designed to discuss cultural topics. These topics may range from the discussion of a ballet to a discussion of Zen. Death of a Salesman, Seymour, and Love's Labor Lost were a few of the literary works which were discussed. Whenever it is possible, the club travels to see plays

## VARSITY CLUB

Varsity lettermen in Rochester High School comprise the Varsity Club--a group with Mr. Vanzo as advisor. The club spurred the school's spirit with sports and with slapstick assembly skits. A pop bottle drive replenished their depleted treasury. To be eligible, members must have earned a letter participating on a varsity team.

The Varsity Club dances their interpretation of the Can-can.

# CONSERVATION CLUB

Few people realize what the familiar announcement, "Bring your grubs and tools" entails. For the members of the Conservation Club it means hard work on the school's court yards, weeding and hoeing.

In November the club sponsored its annual Sadie Hawkins Dance. The dogpatch attire made the dance a real success.

As a smashing finale to the year's activities, the club took its annual canoe trip.

# GYMNASTICS CLUB

Walkovers, limbers, levers, and drag-ups may sound confusing, but they are part of the weekly routines of the Girl's Gymnastic Club. The club, which is open to all girls, is dedicated to conditioning, balance, poise, and fun. Modern dance and free exercise are emphasized more than mere muscle-building. The club looks forward to competing in state competition next year.

# CHERISH IS THE WORD FOR THE 1966

Floats, queens, parades, spirit. "Homecoming 1966" centered around the theme, "popular songs". The parade marched through town, exhibiting the class floats followed by class members. The Falcons defeated Avondale, arousing high spirits for the Homecoming Dance the following night.

Mr. Hawes and Mr. Krager demonstrate how cross-country was run in their day.

Kris Wells and Sue Zink salvage the Junior float.

Sitting regally on the royal float are Queen Vicki and the Homecoming Court of 1966.

Jim Mallon and Jackie Wright cherish the evening.

A love affair, an attempted suicide, mass extermination, and a watermelon were only a few ingredients of *The Mad Woman of Chaillot*, a grand tale of evil versus good presented by the Senior Class. Mad countesses, evil barons, Presidents and vagabonds stormed the stage. Directing a play for the first time, Miss MacAbee provided the cast with some fresh enthusiasm and bounce. The sets, costumes, and lights provided an aura of fantasy. All in all, the audience was provided with an entertaining evening.

The Rochester High School Vocal Music Department, comprise of the Concert Choir, Treble Choir, and Madrigal, presents four main musical attractions during the school year. In December, these people, under the direction of Mr. Irish, staged "That's Show Biz," a show featuring the development of popular American music. In addition, they presented their annual Christmas Concert. In the early part of the new year, the music department participated in the Rochester Music Festival. The Easter season called for the Easter Concert.

Madrigal singers compliment the evening's entertainment.

## *SPORTS*

Giving is one of the most significant aspects of athletic achievements. The athletes are in the game to give all they have for Rochester High. For who gives more than a football player racing for a winning touchdown in the last 10 seconds of play, a basketball player craftily intercepting the ball and straining to make the basket, or a baseball

player who runs at fantastic speed and ends up eating the dust as he slides into home? These athletes who are exerting their last bit of energy for the team have not gone unnoticed. Even the spectators have tried to express their gratitude by cheering at the games and offering enthusiastic support to the teams of RHS.

# FALCONS FLY TO SECOND PLACE

The Falcons finished second in the league and nineteenth in the state with a 6-2 record. In the Warren-Cousino game, the Varsity broke the following school records: widest margin of victory, 66-7 (47 in the first half), offensive yardage of 722 yards (520 in the first half), most interceptions in one game (8), and most touchdown passes in one half with 7 (also a state record).

Quarterback Jim Ball, chosen first string All-League, most valuable player in the league, first string Oakland County team, winner of Thom McAn Bronze Shoe for the most valuable player in Oakland County, and first string All-State by the Associated Press, broke all school passing records by completing 96 out of 160 passes for over 1,500 yards and by throwing 15 touchdown passes.

Quarterback, Jim Ball, skillfully eludes a Troy tackler and goes in to score!

The team's leading scorer, Laurey Kesel, is off and running again.

Helping their team to attain such a successful season were high scorers Gary Gill, 54 points, and Mark Jacobson, 39 points.

Winners of this year's Junior Varsity Football awards were Gary Gill, Most Valuable Player, and Chris Diener, Most Improved Player.

# CROSS COUNTRY IS VICTORIOUS

Keith Wattles sprints home for another victory for Rochester.

For the first time in its history, Rochester has an Oakland-A conference championship obtained by the cross-country team. Under the direction of Coach Wayne Case, the warriors won the title in a close match with Warren Cousino. With team effort, the Falcons managed to secure most of the leading positions throughout the season. The Falcons had a 6-0 record in conference meets and a 7-2 record in overall competition.

Jump! boys , Jump!

"Rochester and Fitzgerald walk hand in hand. "

For the second consecutive year the Rochester Falcon Basketball team won the District Championship by defeating Utica. Although the team finished with a 9-8 regular season mark, the Falcons won three games in a row to take the District crown. Led by captains Jim Burton and Don Golding, the varsity squad finished third behind two Warren teams. Because Warren will no longer be in the Oakland-A league, basketball prospects seem good for RHS next season. Don Golding was named to the 12-player, all-conference basketball team selected by Oakland-A coaches.

## J.V.'S CUT LOOSE

The Junior Varsity basketball team had an exciting season as they finished tied with Warren Fitzgerald for first place.

The sophomore team won 12 times and saw defeat only twice. Two of the J. V. team's promising young players moved up to varsity during the regular season. Congratulations to one of the finest Junior Varsity teams Rochester has seen.

As one of the most enthusiastic groups of the high school, the cheerleaders, with their unfaltering spirit, enlivened the crowds during football and basketball games. Neither rain nor sleet nor snow dampened their spir-

This year, Laurey Kesel with 86 2/3 points and Dave Marr with 50 1/2 points were the high scorers.

# R. H. S. BASEBALL: PITCH, HIT, RUN,

The love of the game, that was the reason the boys on the 1966 Varsity Baseball team continued playing throughout the season.

Plagued by injuries, tough luck, and weather the Varsity team never quite achieved its pre-season promise. There was some good strong pitching and timely clutch hitting, but despite their efforts, the team closed the season with a record of two wins, eight losses, and two ties. Mr. Ron Murray again coached the Varsity team.

The perfect bunting and catching stances as demonstrated by Steve Hopkins and Danny Wheeler. Pete takes a closer look at first base.

# TENNIS TEAM RAISES A RACKET

The RHS Tennis Team in its third year as a varsity sport won six out of ten scheduled matches in the 1966 season and surpassed five other teams in the Cranbrook Regional Tournaments to tie for fourth place--a far cry from 1965 when it placed ninth.

Rick Watson, undefeated in dual competition, was captain of the nine member team this year with Coach Barkley lending an eager helping hand.

Rochester's Tennis Team has never lost a number 1 singles tennis match in a dual meet throughout the five years of its inter-school competition.

Riding, predicament, fall ... these were new terms at RHS this year as the Wrestling team completed its first season. The new varsity sport had an exciting year and finished with a tremendous 8-3 record. In the Oakland-A tournament, Tom Rigdon won the league's 138-pound championship. The 112-pound title was won by Ben Rigdon. This year's captains were Jack Wilson and Greg Gilmore. Wrestling proves to be an exciting addition to Rochester's athletic activities.

It takes two to tangle.

# TRIUMPHANT

Row 1: B. Tinknell, T. Barkham, T. White, K. Tinknell, P. Boes.  
Row 2: Mr. DeGrendel, B. Thorpe, B. Serrell, C. Diener (dropped),  
S. Burns, M. Vizena, J. Rodgers (dropped), T. Cornell, M. Bechard.

Mr. DeGrendel observes the wrestlers' form.

Tom evaluates the situation.

## *UNDERCLASSMEN*

The underclassmen of Rochester Senior High School have discovered the real meaning of giving. Their loyalty and unselfishness have been evident throughout the year, whether it be working for their individual classes or for the entire high school. Even enthusiasm during the assemblies has become more and

more overwhelming. By merging new ideas with school tradition, the students have made a real attempt to understand and improve their school. Through ambition, hard work, and determination, the underclassmen have given from deep within themselves.

# SOPH. COUNCIL PLANS WINNING FLOAT

After the election of class officers, the class of 1969 organized to tackle the various projects ahead. The first project was a Homecoming float, entitled "The Birds and the Bees." It won first place. The class was

also responsible for a skit and a bonfire. During the year, the class council sponsored two after-game dances. On Falcon Day, the sophomores competed with the juniors and the seniors in field day events.

Officers: J. Johnson, G. Sovey, G. Moynihan. Row 1: C. Belfry, V. Filippi, C. Wollerman, J. Rewold, M.

# ACTION—THE WORD FOR JR. CLASS

The Junior class began the 1966-67 season by constructing their Homecoming float, "I'm a Loser." For the skit competition, the class presented a variation of the fairy-tale "Little Blue Riding Hood." In both foot-

ball and basketball seasons, the juniors sponsored several successful after-game dances and a paper drive. Early in the new year, the Juniors held the Junior Prom, "Happenings," with an op-art theme.

## SENIORS

The Senior Class of 1967 has become a distinctive part of Rochester Senior High School. For the past three years, these seniors have exerted real effort in giving to their school. They have exhibited their enthusiasm not only through scholastic effort, but also through

their participation in sports, clubs, dances, the senior play, and even in fighting to win the Spirit Jug. However, this enthusiasm will not merely banish at graduation, but instead will continue to mark the path for successful seniors' futures.

# SENIOR CLASS

President Peter Collins, Vice-President Chet Beaver, Secretary Sue Talley, Treasurer Kathy Holforty, and Sponsor Mr. Lawson.

Senior Class Council's first project, Homecoming activities, developed a prize-winning skit and a first rate float. The meetings held discussions covering preparation for an aftergame dance, the senior play, graduation ceremonies, and the prom. Successfully their senior activities were executed by the officers and members.

## COMMUNITY

Throughout this memorable year, Rochester High School and the surrounding community have worked in many ways to benefit each other. Because Rochester Village employers faithfully rely upon students to maintain jobs, the students have become a more distinctive part of the community. In the fall of the year, store managers even take time and patience to carefully judge the Homecoming floats. To benefit the community, adult education classes are held. The community and the students also aid each

other in various cultural respects. Our high school band concerts, art exhibits, senior play and special club activities help to bring the students and the community much closer. Furthering cultural progress is also a major concern of the Meadow Brook Festival, the Arts 'N' Apples Festival, and other community activities. Through much patience, understanding, and cooperation, students are a real part of the unique village community of Rochester.

## MAY WE DISCUSS YOUR FUTURE WITH YOU?

As a graduating senior, will you soon be seeking employment? If so, what kind of work? In what type of business? These are important decisions you must make.

Of course, you want to work for a reliable firm that provides pleasant working conditions, good pay, and liberal employment benefits. You want to work with friendly people. But more than that, you want to know that your first job can prepare you for something better in the future. You have these advantages at the National Bank of Detroit.

There are many types of starting jobs at NBD. They all provide opportunity to learn and to advance. We'd like to tell you more about them.

The first part of the document discusses the importance of maintaining accurate records in a business setting. It highlights how proper record-keeping can help in decision-making, legal compliance, and financial management. The text emphasizes that records should be organized, up-to-date, and easily accessible.

Next, the document addresses the challenges of data management in the digital age. It notes that while digital storage offers convenience, it also introduces risks such as data loss, security breaches, and information overload. Solutions like cloud storage, encryption, and regular backups are suggested to mitigate these risks.

The third section focuses on the role of technology in streamlining business processes. It describes how automation and software solutions can reduce manual errors, save time, and improve overall efficiency. Examples of such technologies include accounting software, project management tools, and customer relationship management systems.

Finally, the document concludes by stressing the importance of employee training and awareness. It suggests that investing in education and skill development can lead to a more productive and adaptable workforce. Regular training sessions and workshops are recommended to keep employees updated on the latest industry trends and technologies.
